COMO HOTELS AND RESORT'S PARROT CAY IN THE TURKS AND CAICOS is the northern Caribbean's pre-eminent private island, wrapped in sweeps of sand and peaceful seas featuring the region's best spa. It combines nature – 1000 unspoilt acres, a mile-long powered beach – with relaxed luxury and the award-winning COMO shambhala retreat, which offers a range of holistic, Asian inspired therapies. Accommodation, in whitewash with chic teak finishing, includes beachside houses and villas. The island also features private residences, offering absolute privacy away from the main resort. The island's two restaurants serve gourmet cuisine as well as organic, healthful COMO shambhala cuisine.
