About your Brown Shipley Visa Infinite Card

Your Brown Shipley Visa Infinite Card is a charge card, cheque guarantee and ATM card. It carries latest chip and pin technology for your security and peace of mind. It is also supported by Verify by Visa – to help protect your card details when you shop on line.

Activate it >> sign it >> use it >>

When you receive your Visa card you will need to activate it before it can be used. Call the free phone number on the card where you will be asked a number of security questions before your card is activated.

Please remember to sign the reverse of the card before you first use it.

Cash Withdrawals

Your card can be used throughout the world to withdraw cash from ATMs, wherever you see the Visa sign.

In the UK withdrawals from your Brown Shipley current account are free of charge from a Visa designated ATM. Please note that some ATM operators make their own charge for dispensing cash and we have no control over this.

Statements and Payments

Statements are sent to you by post, monthly. The balance due will be collected from your nominated Brown Shipley bank account on or just before the due date.

There is no need to take any further action regarding the outstanding balance.

Unfortunately it is not possible to hold a Brown Shipley Visa Infinite Card if you do not have and maintain a banking account with us.

Your Infinite Card benefits explained

We have backed everything up with a programme of practical assistance – so that if the worst should happen, you will always be well looked after. The service includes travel assistance, providing cardholders with information about destinations, such as the climate, inoculation advice and emergency contact details.

We also assist in retrieving lost luggage, providing cash advances, obtaining duplicate documents, finding interpreters and passing on urgent messages to relatives.

Cardholders are financially compensated in the event of:

- Travel delay
- Luggage delay
- Missed departure
- Missed event
- Trip cancellation/curtailment
- Lost luggage
- Hospitalisation and convalescence periods
- Extra accommodation costs

A key extra benefit of our service is full winter sports cover, which protects against loss of ski equipment, and provides compensation for eventualities such as piste closure and unused ski passes.

Insurance and Protection

You can access an exceptional package of support at no additional cost to you (or where applicable, your family). A comprehensive policy document can be found on our website at www.brownshipley.com/visa. The information given below acts as a useful summary.

If you are unsure about cover or wish to make a claim please call **0870 421 5224**

Medical Travel Insurance Services

Do you need urgent medical advice whilst travelling?

Call +44 20 8914 8040

The benefits we provide are extremely competitive and in many, if not most cases, exceed those available through other card programmes on the market.

The Brown Shipley Visa Infinite medical travel insurance services cover you against most medical eventualities, from finding a local doctor or pharmacy to arranging for medical bills to be paid – even arranging and paying for an air ambulance.

Cover includes:

- Medical assistance – advice on what to do in case of an accident whilst travelling, including locating hospitals and local medical services, backed up by a 24/7 helpline, ensuring help is available anywhere in the world
- Provision of emergency medical supplies, which cannot be sourced locally
- Reimbursement of medical expenses with no excess
- Payment for a relative to travel out
- Payment for medical personnel to accompany a flight home where necessary
- Emergency repatriation – airlift if the cardholder or family members need to be flown home for emergency treatment

Additional Insurance and Protection Services

In addition to the very best fully comprehensive travel insurance, we provide a range of additional insurance and protection services. In particular, we can offer you protection against the risks that may not be covered by any of your other insurance policies – and which may be a real concern to you.

Purchase protection

Visa Infinite provides a generous level of purchase protection cover subject to a small excess. This covers items only when you purchase them with your Infinite card.

ATM theft and assault protection

Visa Infinite insurance packages provide specialist cover for an assault or mugging at an ATM.

Verified by VISA

This is a facility available through Visa that makes it safe for you to shop on line using your Visa Infinite card at participating merchants. Once you have activated your account and created your own secret credentials, you will be asked for these when shopping on line.

Your card will only be accepted by participating online merchants when the card is used with your secret password.

In addition to creating your own secret Verified by Visa password you will create your own Personal Message. Your Personal Message phrase will appear on the screen that asks for your password when you shop online. Every time you see your own Personal Message displayed you will know that you are communicating with Brown Shipley.

In summary the Verified by Visa programme enables Brown Shipley to verify that you are using your card online (with your Password) before authorising the purchase and it lets you authenticate (with your own Personal Message) that you are communicating with us during an online shopping transaction.

In seconds, you gain important added protection when shopping online.
